

Rivex Wellness™

# Clean, Natural Greens for Every Body.

Our Story

# A Brand Built on Simplicity and Quality

At Rivex Wellness, my wife Somer and I saw a gap in the market. We were frustrated by greens powders that tasted chalky and artificial, so we spent over 6 months crafting **Green Boost**, a delicious and effective greens powder designed for everyday use.

**Local and Trusted:** We're a proudly Canadian brand, dedicated to quality and simplicity in everything we do.

**Purpose-Driven:** Each ingredient is carefully selected to serve a specific health benefit.

# What We Offer

**At Rivex Wellness,** we're committed to providing a simple and natural approach to daily nutrition. Our Green Boost formula offers great taste, powerful benefits, and all-natural ingredients to support your customers' wellness goals. Here's a breakdown of our 30-serving container options:

## **Green Boost - 30 Serving Containers**

Our flagship product, Green Boost, comes in two delicious as well as an unflavoured option. Each option is designed to meet the needs of health-conscious individuals looking for a convenient and tasty way to include greens in their daily routine.
